

St. Paul's Church of England Primary Newsletter November 24

Friday 8th November 2024

From the words of St. Paul... 'Encourage one another and build each other up.'

Headteacher news

We've got a packed calendar of events lined up, promising something for everyone to enjoy.

As we approach Remembrance Day, we're proud to support the Royal British Legion's Poppy Appeal once again. We'll have a variety of items available for purchase during break times, including snap bands, reflectors, wrist bands, poppies, and stickers. It's a wonderful way for our pupils to show their support for this important cause.

To mark the occasion, we'll be observing a minute's silence on Monday 11th November. Any pupils who are members of the Scouts, Beavers, or Brownies are welcome to wear their uniforms on this day, adding a special touch to our commemoration.

For those of you with little ones ready to embark on their primary school journey in September 2025, we're hosting an 'Open Evening' on Wednesday 13th November at 6pm. It's a fantastic opportunity to get a feel for our school community and ask any questions you might have. We'd be delighted to see you there!

Wednesday 13th November, we will be having individual and sibling photos in school. Please ensure your child is in full school uniform. If your child has PE that day, please make sure they come to school in their uniform and they bring their PE kit in a separate bag. If you would like your child to have their photo taken with a sibling who does not attend this school, please come to the school office at 8.20am and these will be taken before school starts.

Lastly, we're gearing up for Children in Need with a twist this year. We're inviting everyone to join in a non-uniform or pyjama day! We're kindly asking for a charitable donation of £1, or any amount you choose, which can be paid via ParentPay. It's sure to be a fun and cosy day for a great cause.

As always, thank you for your continued support. Here's to another fantastic half-term at St. Paul's!

Celebrating art in our school

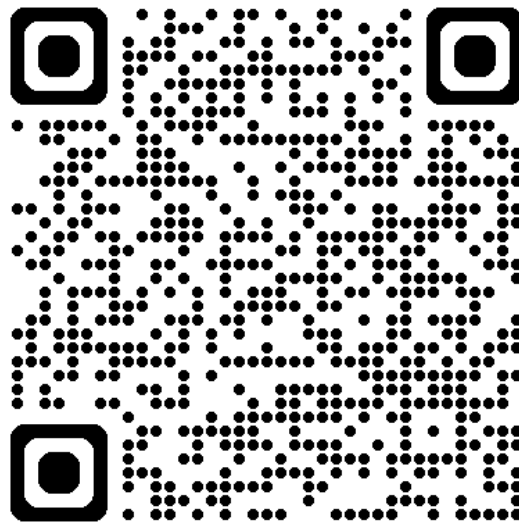

As I walk through the corridors and classrooms of our wonderful school, I'm constantly reminded of the incredible talent and creativity that our pupils possess. It's a joy to witness their artistic expressions adorning our walls, bringing colour and life to every corner of St. Paul's.

One of the many things I truly cherish about my role as Headteacher is the opportunity to see the amazing artwork our pupils create. Each piece tells a unique story, showcasing not only their artistic skills but also their imagination, dedication, and growth. From vibrant paintings to intricate sculptures, every creation is a testament to the hard work and passion of our young artists.

I often find myself pausing in front of these displays, taking a moment to appreciate the thought and effort that goes into each masterpiece. It's not just about the final product, but the journey of learning and self-expression that each artwork represents.

I'm excited to share this experience this joy alongside me. We've created a QR code that will allow you to view a selection of our pupils' artwork from wherever you are. Simply scan the code with your smartphone, and you'll be transported into a virtual gallery of our school's artistic achievements.

I encourage you to take a moment to explore this digital showcase. Share it with your family and friends, and let's celebrate the creativity and hard work of our pupils together. It's an opportunity for you to see our school through my eyes and share in the pride I feel every day.

PTA

As we approach the end of another busy week, I wanted to take a moment to share some important information.

First and foremost, I'd like to bring your attention to a change in our calendar. The upcoming PTA Annual General Meeting (AGM) has been rescheduled. Originally planned for an earlier date, it will now take place on **Friday, 22nd November at 3.20pm**. This slight adjustment allows us to ensure maximum participation and engagement from our school community.

For those of you who might be unfamiliar with our PTA, it's a vital part of our school. The PTA plays a crucial role in organising events, fundraising, and supporting various school initiatives. Their efforts contribute significantly to enhancing the educational experience of our pupils and fostering a strong sense of community within St. Paul's.

If you're interested in attending the AGM or perhaps considering joining the PTA, we'd be delighted to welcome you. The meeting will be held in school, providing an excellent opportunity to learn more about the PTA's activities and how you can get involved. Whether you're a long-standing member or simply curious about what the PTA does, your presence would be greatly appreciated.

Joining the PTA is a fantastic way to contribute to our school community. It offers a chance to work closely with other parents, teachers, and staff members, all united in the goal of supporting our pupils and enhancing their school experience. The PTA is always open to fresh ideas and new perspectives, so if you've been thinking about getting more involved in school life, this could be the perfect opportunity.

Remember, every contribution, no matter how small, can make a significant difference. Whether you can offer your time, skills, or simply your enthusiasm, there's a place for you in our PTA. It's also a wonderful way to meet other parents and become more connected with the school community. It's the collective effort that makes St. Paul's CE Primary School such a special place. Your ongoing support is invaluable, and I look forward to seeing many of you at the PTA AGM on the 22nd.

Thank you for your continued support and involvement in our school community. Together, we can ensure that St. Paul's remains a nurturing and inspiring environment for all our pupils.

St Paul's Mental Health Ambassadors

[myHappymind Parent App Introduction - England & Wales](#)

myHappymind is delivered in our school by our class teachers through a series of interactive lessons and then the children apply these learnings throughout the day.

To further embed this learning, myHappymind has developed a Parent App. These resources can be accessed online on your computer, or through an app on your phone. The Parent App will support you as a parent in understanding what your child is learning, activities for you to do together at home and also a Kids Zone featuring myHappymind Games plus much more!

To access these materials just go to <https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code.

Your authentication code is 119367

Once you have created your account, you will receive an email with the next steps on downloading the app.

We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum.

If you have any questions about myHappymind, please contact your class teacher.

If you have any technical questions about accessing the resources, please contact hello@myHappymind.org

Dates for your diary...

- Remembrance day - Monday 11th November
- Bonfire lunch - Tuesday 5th November
- Individual photographs - Wednesday 13th November
- Children in Need - Friday 15th November
- Flu Vaccinations - Thursday 28th November
- Infant Nativity will be held on Thursday 12th December at 1.30pm and 5.30pm. (This is a ticket only event)

Have your circumstances changed? Apply for free school meals.

For any parents/carers, **whose circumstances have changed** and think their child(ren) may be entitled to Free School Meals, please can an application form be completed. Parents can apply electronically via the link below:

<https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/?page=3>

Registering for the Free School Meal service also means the school will receive additional funding for your child, which is called Pupil Premium.

Please note that younger siblings of pupils who are already entitled will not automatically qualify for Free School Meals. If a family's circumstances have changed and cease to be entitled to qualifying benefits, the elder children will be protected but any new children will not qualify. This is why Pupil Access Team require applications completing so they can properly assess new sibling's entitlement.

Influenza vaccinations

Flu Immunisation vaccinations will take place in school on THURSDAY 28TH NOVEMBER, please follow this link to complete an online consent form.

<https://nhsimms.azurewebsites.net/session/032f5d11>

This link will close on the 14th November 2024

If you have any problems accessing the link please telephone 0333 3583 397, Option 2, Option 2.

In the meantime, if you have already taken your child to the doctors or chemist to have the Flu vaccine, please kindly inform the school office.

Thank you.

Attendance/Holiday information

Attendance to school is compulsory, all children must attend every day unless they are ill.

To enable us to safeguard our children, may we request that if your child is absent from school you, please telephone the school on 01706 215893 by 09:00am to inform us. If we have not received a call, a member of our office staff will call you to ensure that your child is at home and is safe.

What to do if my child is ill.

Despite school being cleaned daily using antibacterial solutions with the use of antibacterial soap and hand gels available for all to use freely. It is that time of year where illness and viruses start to unfold.

- The NHS have a helpful guide should you wish to use this. [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk/health-topics/when-to-keep-your-child-at-home/)
- Please can you ensure that your child does not attend school for 48 hours after they have last vomited or had diarrhoea.

We are still encouraging good respiratory hygiene i.e. covering their nose/mouth with a tissue when coughing or sneezing, discarding tissues after use and washing hands with soap and water. It is important to reduce the risk to others.

Can you authorise my child's absence?

As many of you are aware, we are unable to authorise any absences that are not illness related unless in exceptional circumstances. There is a 'leave of absence' form available from the school office however, we would ask that all holidays are taken within the holiday periods and not in term time, to avoid a fine from Lancashire County Council.

Important Update – Changes to Education-related Penalty Notices from September 2024

Information for Parents

You may be aware that the Department for Education announced national changes to penalty notices issued for unauthorised absence in term time. These changes will come into effect on 19 August 2024.

The changes to be aware of are:

Please note that school does not receive any money for penalty notices.

- Penalty notices issued for offences that take place after 19 August 2024 will be charged at a **new rate of £160 per parent per child. This can be paid at £80 if paid within 21 days.**
- A second penalty notice issued to the same parent for the same child within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days with no option for a discounted rate.
- The threshold at which a penalty notice **must** be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period^[1] . This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or school years.
- A maximum of 2 penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).
- This also includes pupils with persistent absences.
- Only penalty notices issued for absences taking place after 19 August 2024 will count towards the above thresholds.

Absences can have a lasting effect on learning

Missing a week of school means your child will miss around 25 hours of learning
This creates gaps in their knowledge and could mean they will not meet their full potential

[1] A school week is any week in which a school meets at least once.

This week we have been learning...

Brilliant Berries

Berries are working SO hard! We have been using our zones of regulations to help focus our learning and also using all our calm techniques to help us when our heads feel a bit busy.

The children have been working really hard in maths and English, they have blown me away with how much they can remember, and their writing is coming along beautifully. I am so proud of them.

In topic, we have been thinking about Guy Fawkes, we loved watching Ratty's story of Gunpowder Treason and Plot, the children were so shocked that someone wanted to kill the King and were very glad when they didn't. We have also created firework pictures using a range of materials and textures! They look amazing, I am so proud of them.

Dates for your Diary

PE kits to be work each Monday. It is getting cold now, so please ensure they have joggers on.

Forest School: Wednesday 20th November and Wednesday 4th December.

Individual and sibling photographs: Wednesday 13th November

Nasal Flu vaccinations: Thursday 28th November

Infant Nativity will be held on Thursday 12th December at 1.30pm and 5.30pm.

Hope you all have a lovely weekend,

Mrs Taylor and Mrs Coleman

[Amazing Acorns](#)

Acorns have had another brilliant week; their resilience is really shining through, and they have all worked so hard throughout the week. It is really lovely to see their individual personalities growing and friendships developing.

In maths this week, we have been looking at the number 5. We have been practising counting to 5 and ordering numbers to five, as well as looking at 1 more and 1 less, we have even looked at 5-sided shape, the pentagon. Have a go at counting at home to 5 with your children, see if you can spot the numeral 5 in your local area or practise counting whilst out and about.

In English, we have been reading the story 'Oliver's vegetables', we have been thinking about fruit and vegetables that we do and do not like and having a go at writing their names. We have been using pictures from the story to order the days of the week, which links with maths and to also re tell the story all by ourselves.

Our topic this week has been all about Guy Fawkes and who he is. Ask your children about facts of Guy Fawkes and bonfire night. We have also created some beautiful art work in the style of fireworks using a range of materials and resources.

In PE we have been practising to hop, see how many hops your child can do at home, can they do more with the other leg?

Dates for your Diary

PE kits now need to be **brought into school each Monday** as children will be getting changed in class.

Forest School: Wednesday 20th November and Wednesday 4th December.

Individual and sibling photographs: Wednesday 13th November

Nasal Flu vaccinations: Thursday 28th November

Infant Nativity will be held on Thursday 12th December at 1.30pm and 5.30pm.

Hope you all have a lovely weekend,

Miss Bliss, Mrs Smith and Mrs Parkinson.

[Awesome Ashes](#)

This week in Ashes we have been learning about the North Pole in Geography, linked with our work on the penguin in our story Lost and Found. We learnt about animals that live in hot and cold places, what to pack for a holiday in a cold place and Year 1 have begun to use atlases to find other cold countries.

In English we have been learning more about penguins, labelling their appearance and learning about the ways in which they move. We are loving reading our story Lost and Found!

In Maths, Reception have worked on the number 4 and 5 and Year 1 have worked super hard on subtraction using the whole, part, part model.

The children enjoyed Forest School this week, completing more learning about the season of Autumn and weather associated with this season. Our next Forest School sessions will be Friday 29th November and Friday 13th December.

Dates for your Diary

PE kits now need to be **brought into school each Wednesday** as children will be getting changed in class.

Forest School: Friday 29th November and Friday 13th December.

Super Sycamores

This week in Sycamores we have been writing an information poster all about mice. We have also been recalling facts about frogs, so that we can write an independent information poster all about frogs. The children are excited to do this as we will be sharing our writing with Acorns class.

In Maths we have been learning about 2D shapes and how to recognise a circle, triangle, rectangle and a square rectangle. We have been using the correct vocab - vertices and edges to describe the shapes.

In Science we have started our topic of Animals - Humans by naming all of the body parts, and learning how bones help us move and protect us.

In Art we have used pastels to create our own poppy scene and practiced using different skills using the pastels.

Dates to remember

Outstanding Alders

As always, the children have been great this week and worked their socks off.

Curriculum News

In Maths this week we have been learning about shapes, both 2d and 3d. We have been identifying properties such as faces, edges and vertices.

In English we have now begun learning about animals that live on the African savanna ready to write our own fact file.

In Science we have continued our work on materials, we sorted materials according to whether they would bend, stretch, twist and squash. We also learnt about John Boyd Dunlop, ask your child what they can remember about him.

[Enchanted Elms](#)

This we have continued to look the landmarks of London. The children created their own top trump card for a landmark. We have looked at features of a leaflet. In maths we have been looking at multiples for the 3 and 4 times tables. We have answered questing using Venn and Carroll diagrams.

In science the children conducted the 'ramp investigation' to discover how objects move on different sloping surfaces. We investigated how placing an object on different surfaces affects how easily it moves. The children recorded their findings.

Marvellous Maples

In English this week, Maples have read a short novel called 'The treasure of the loch ness monster'. First, we made predictions using the images and then read the book. We have started to create character profiles for both the characters and thought about what traits they have. The children have also written a diary entry as one of the characters using some of the vocabulary we have collected.

In maths, the year 4 children have been learning about factors and how to multiply a number by 10 and 100. They have worked really hard at this and have really progressed. The Year 3 children have been mastering their times tables and looking at using these to help when identifying missing numbers in number sequences.

The children were real life historians in our history lesson, this week. The children were given a picture of life in the ancient Egyptian times. The children were given the task of using their knowledge of Ancient Egypt to find the historical inaccuracies. I was blown away at how many children were able to find the suitable inaccuracies. We have some fantastic historians in Maples class.

[Wonderful Willows](#)

English

We are thoroughly enjoying our Non-Fiction text based on Magicians. We have watched some mesmerising tricks by Houdini and Dynamo - the children were amazed. We are now focussing on gathering information so that we can create detailed pieces of work linked to magicians past and present.

History

We found History fascinating this week as we researched place names. We looked at which towns were named by the Romans, Anglo-Saxons and Vikings, we also discovered what the meanings of the town names are. Willow's class were fantastic at reading maps of York and Lincolnshire to discover many Viking towns.

P.E

This week we have experimented with the orienteering equipment. We took our time to read maps and plot the places that we were going to place the flags. Then we swapped maps and challenged our peers to find them. What a speedy group they were!

Mighty Oaks

It has been another jam-packed week in Oaks class this week with lots of learning taking place.

In English, the children have been writing their own independent narrative from the perspective of Willie, one of the main characters in *Goodnight Mister Tom*. The writing has been outstanding, and I am so proud of how hard they have worked to include so many features. This brings us to the end of our novel as next week we are starting our new unit on war poetry.

Forest School saw the class working together in small groups to create a piece of Remembrance art. The pictures show that we have some very creative children in the class!

In history, we are continuing with our topic of World War Two and its impact on the lives of people in Rawtenstall. The children have been learning about The Blitz and how sources of evidence show different perspectives of the war.

PE

We will continue to have our indoor PE session each Thursday. Swimming will also continue until Christmas and all groups need to bring shorts and T shirt to each session as part of the lifesaving award.

St. Paul's Church Worship

As we settle into the rhythm of another exciting half term, the focus of our collective worship: peace. This theme resonates deeply within our school community, offering us all an opportunity to reflect on its significance in our daily lives.

One of the monthly highlights our calendar last month was undoubtedly the Woody Church session.

The turnout for our forest church was truly remarkable. It was a delight to see so many familiar faces – pupils, parents, and extended family members – gathered together in our natural

surroundings. The enthusiasm and engagement displayed by everyone present creating an atmosphere of warmth and community spirit that epitomises what we strive for at St. Paul's.

On Saturday 9th November, the final Woody Church session will take place at St. Paul's Church between 3pm-5pm.

It is one not to be missed.
