Afternoon sessions

Topic session

Science – What are the key parts of a healthy diet?

This lesson looks at the key nutrients needed to stay healthy and for the body to function efficiently.

Design & Technology

Using the Eatwell plate, think about the requirements that are needed in a daily diet.

Can you plan a menu for a week for your family? Create a menu card that shows the meals for each day.

Have you included all the food groups?

Science – What effect does exercise have on the human body

<https://classroom.thenational.academy/lessons/what-effect-does-exercise-have-on-the-muscles-60up8d>

PSHCE – Keeping Safe

Linking with the Bikeability sessions, this lesson focuses on laws regarding using the road, both as a cyclist and as a driver.

PE - Target games

Physical activity - Challenge yourself in using different equipment from around the home to create targets for you to throw at.

For example, an empty bucket and a ball; a pair of socks and a bowl. Try different types of throw and increase/decrease your distance.

How many shots on target can you complete in 2 minutes?

Oaks Class

Design your own invasion game using the different tactics we have been applying in our PE sessions. Think about the size of your team, the rules that will need to be followed, the type of equipment that will be used to play it effectively.
