Today has been scary, it is my wedding tomorrow and I'm really freaked out. I can't wait but I don't know what is going to happen. I've got my job to worry about. aswell I am loosing lots of money paying for the bills and I only get fifty pee a day. My job is hard, I have to make clothes and sell them I hate my job. I only get one meal on my table a day and I've got a lady coming to live with me and I don't know how I'm going to get food for both of us. work is so boring I have to leave the house at 6 o'clock, in the morning.
