### CLASS NEWS

#### World Book Day

BBC are broadcasting a World Book Day Live Lesson for primary schools at 11:30 on Thursday, 4 March 2021. You will be learning all about themes in stories and how to identify them, hearing about the stories you've been reading and some of your favourite themes, and meeting some of the incredible people that write about them. To wrap up the Live Lesson, they'll also be holding a live question and answer session with an author.

There are also lots of resources on the World Book Day website:  
<https://www.worldbookday.com/resources/>

You can also find lots of activities on our school website:

### WEEKLY INFORMATION

#### Wellbeing afternoons

Each week, every class will be taking part in a wellbeing afternoon. The activity will be different each week and each class will be taking part. This gives the children the opportunity to have some fun and also take part in different activities each week. We know how intense it can be for some of the children at school and those of you at home. You are all working really hard, so we thought it might be nice, during this strange and difficult time to take part in this. If you are at home, you can join in whenever you want to fit it into your weekly schedule.

#### Active Live Survey

Each year, we participate in the Active Lives survey which measures physical activity levels of adults and children in England. Please can you complete the survey, it takes a few minutes and will ask you some simple questions about your physical activities. As a school we are looking for at least 30 responses from across school but the more we get the better. Here is the link and the school URN number.
