

I Am a Super Learner!

I'm always keen to learn.

I see a challenge as exciting, not as a problem.

I'm willing to make mistakes and learn from them.

I'm aware that learning opportunities are all around me.

I take charge of my own learning.

I use every opportunity I have to learn something new.

I know what skills and knowledge I need or want to learn.

I know where to go and who to ask to further my learning.

I set new learning goals regularly.
