**The Christian family of St Paul's... moving forward together.  
A caring, exciting and happy school where everyone  
succeeds!**

### Code of Conduct

The purpose of the code is to provide a reminder to all parents, carers and other visitors to our school about expected conduct so that we can work together to ensure a safe and positive school environment for our children.

#### Respect and Concern for Others and Their Rights

We expect parents, carers and visitors to show respect and concern for others by:

- Supporting the respectful ethos of our school by setting a good example in their own speech and behaviour towards all members of the school community
- Working together with teachers for the benefit of children. This includes approaching the school to resolve any issues of concern and to discuss and clarify specific events in order to bring about a positive solution
- Correcting own child's behaviour, especially in public where it could otherwise lead to conflict, aggressive or unsafe behaviour
- Respecting the school environment, including keeping the school tidy by not littering
- Following the parking rules and doing the right thing when delivering and collecting children from school

- Leaving dogs outside the school premises St Paul's CE Primary School Code of Conduct - Reviewed July 2015 In order to support a peaceful and safe school environment the school does not tolerate:
- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, office or other area of school grounds
- Loud or offensive language, swearing, cursing or displaying temper
- Threats to do actual bodily harm to a member of school staff, governor, visitor, parent/carer or child. This includes approaching someone else's child in order to discuss or chastise them and physical punishment against your own child on school premises. (Some actions may constitute an assault with legal consequences.)
- Damage or destruction of school property
- Abusive or threatening comments regarding the school or the school community. This includes communication by emails, phone, and social network or in writing
- Smoking and consumption of alcohol or other drugs or accessing the school site whilst intoxicated

The above behaviours on school premises will be reported to the appropriate authorities and in order to safeguard our school community Governors may prohibit an offending adult from entering the school grounds.

We trust that parents, carers and other visitors will assist our school with the implementation of this policy and thank you for your continuing support.
