

Resource 1

Look at the resource below, which shares more information about protests.

What is a protest?

A protest is when people show they don't agree with something and they want it to change.

During a protest, people often carry banners or signs to tell us what they are unhappy about. They sometimes chant and sing too.

What do you think the people who made these signs and banners are protesting about?

Have you ever seen or been part of a protest?

People choose to protest in different ways. Some of these ways may include:

- A march
- Block a road
- Sit or lie somewhere
- Go on strike or walk out from work
