

St Paul's home learning
Y4/5 Summer 2 Grid 4 Mrs Nolan

Dear Elders,

Please have a look at the Learning grid for your learning activities. Some of the resources you will need are on the learning grid page. This half term's history topic is Ancient Greece. In Science, we are learning about Living things. Maths this week is Graphs for year 4 and Year 5 Fractions (rounding and percentages and problem solving)

Take care

Mrs Nolan
