Rearrange and Make

A tangram is a square cut into the seven pieces you see in the picture above.

For this challenge, you'll need a set of the tangram pieces, which you can download, print off and cut up from this sheet.

Try making these shapes with *all seven* tangram pieces:

- **Square**
- **Rectangle**
- **Triangle**
- **Parallelogram**
- **Trapezium**
- **Pentagon**
- **Hexagon**
