Friday	Celebration of the week

Thursday is also World Book Day and we would love it if you could join in at home. On this day, there will lots of different activities for you to choose from on the separate learning grid. There are also lots of virtual book activities through the week led by different authors so definitely worth a watch if you can. If you do want to dress up as your favourite book character on Thursday, it would be lovely to see your costumes on our Zoom catch up. Please do send any photos of your activities to the class email.

I am really looking forward to seeing you all next week in school when we reopen fully on Monday 8<sup>th</sup> March. It will be amazing to see all your smiley faces each morning and I am sure that you are all looking forward to catching up with your friends.

You have worked really hard whilst you have been at home and you should all be really proud of how resilient you have been.

Just one more week to go!
