### CLASS NEWS

We have had a very busy and emotional week, this week. We have enjoyed our time together as a class and have created some wonderful memories this year, which I hope the children will remember in many years to come. Willows have been a pleasure to teach this year and I am genuinely going to miss them next year.

### Dinner Money

Due to rising costs, the cost of school dinners will increase from September to £2.30 per meal, £11.50 per week. This remains good value for money ensuring your child has a choice of well-balanced meals each day.

### Parent Pay

Information regarding the new Parent Pay system has been sent home this week. The system will be up and running in September. You will require an activation code, which will be sent out with your child on the first day back in September. We would be very grateful if you could pay cash or cheques for the first week. We anticipate some teething problems over the first few weeks, we would be very grateful for your patience as the system is set up. Thank you

### Pebble

As part of our playground development we will be creating two further areas so that all children can access them. These will be an area of quiet and calm, to enable our children, to have a place to become reflective on their thoughts and feelings.

We are requesting that each child returns to school in September with a pebble that we can use as a piece of artwork within these areas.

I would just like to thank all the children for a wonderful year and for making lots of fantastic memories. I would also like to thank all the parents for supporting their children and the school throughout the year.

I would also like to wish our wonderful Year 6 children the best of luck starting their new journey at high school, in September.

I hope you have a wonderful summer break.
