Image search

1. Let's go to your area: either.

   o Type your town in the search box at the top left. If there is more than one result, select the right one from the list, or

   o Type your postcode in the search box at the top left.

   o Hopefully you can now see your area on the map.

2. Open **Image Search** – look on the left of the map.

   o Type a word in the Search box and select the magnifying glass– try:

   o Daffodils

   o Spring

   o Blossom

○ Buds

○ any other words you'd like to try.

3. Any images will be shown on the left AND on the map.

4. Zoom in on the clusters to view any images.

Zoom in!

1. Now let's zoom in on your house. You can:

   o Select the plus button on the scale bar, or

   o Double click or double tap where you want to zoom in.
   2. Can you see your house?

Let's Draw!

1. Select Drawing Tools – look on the left.

2. Add a marker to your house. Just choose your marker then select your house.

3. Add a text label: maybe 'my house' or 'Spring Time'.

4. Now let's add your spring photos!

   o Make sure you have any photos you took on your computer.

   o Select the Add photo button:

   o Select the point on the map where you want to add a photo.

   o Now Select Choose File, find your photo and select Open.
   o Select Upload.

5. Keep adding photos until you are happy with your map 😊

Share your work

1. Select Print – look above the map

2. Type in a title, your name.
3. Select Generate Print file.
4. Your computer will ask you where to save your PDF file.
5. You now have a map you can share with your family, teacher, friends or US! We would love to see it. **Tweet us @digimap4schools.**
